

Trent View College Newsletter

Moving On Event

A huge thank you to all of the organisations, education placements and workplaces that attended our "Moving On" event.

Allowing our students the opportunity to look at all of the different options available to them after Trent View is so important and the feedback from this event was incredible.

We are so grateful to everyone that took the time out to make this event such a huge success.

Work Experience

Alfie completed a day of work experience with Rob from Primary ICT on Tuesday.

He worked on installing a new sign-in system and generally supporting staff with any IT issues.

A huge well done to Alfie and a big thanks to Rob for facilitating this.

Experts by Experience

We were delighted to welcome into Trent View College the "Experts by Experience" group on Monday 20th November. This is a group that directs change within the community by coming together with different organisations within the local area to give feedback and offer advice on how services/organisations can become more Disability Confident.

Our Catering students gave the group a tour of the college and then attended a "Mixer" in our Café where they were able to talk to them about their experiences and get good links for joining similar groups when they turn 18.

We even had our first customer in our salon for a wash and blow dry!

Trent Brew Achieves 5 Star Rating!

Our fabulous Catering Team achieved a 5 star food hygiene rating for our kitchen and Trent Brew Cafe.

We couldn't be prouder of our staff and students that contributed to this.

A 5 star rating was well deserved and shows the hard work that has been completed by everyone!
