

Trent View College Newsletter

Staff Training

Last week, staff received training on Filtering and Monitoring (a statutory requirement in Keeping Children Safe in Education). We use a site called Securly which allows us to track the internet usage of everyone on site. We also covered information on the "Dark Web". Information for both is linked below:

Knit and Natter

A huge thank you to our fabulous Annabelle who has started a "Knit and Natter" Lunchtime Club within college. Students are enjoying taking time out to learn a new skill and connect with students outside of their class team!

North Lincolnshire Parent Forum

"An independent forum supported by Government funding."

Based in North Lincolnshire, we are a voluntary group of parents of children and young adults with special educational needs and disabilities (SEND).

Our aim is to ensure that the views and concerns of our members are represented and their voices heard so as to improve the lives of the children and their families we represent."

Trent View College are proud to work in partnership with the Parent Forum. if you would like to become a member, please see the website:
