A Message from the Editor

Hi My name is Holly and I am year 13 and I am the Editor and Chief of the Trent View Newsletter.

I work in Office and Enterprise and the whole group has worked together to make this newsletter special.

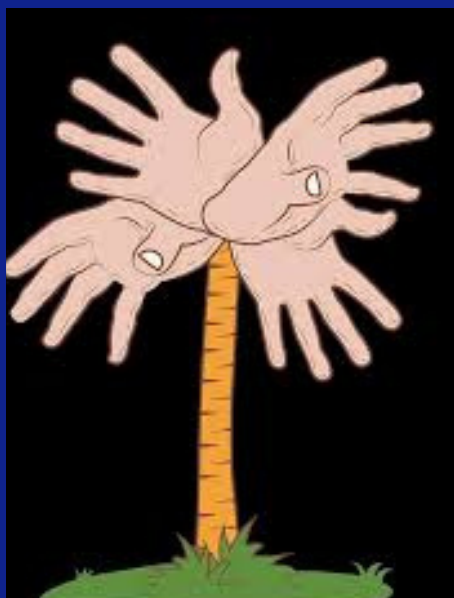

We have welcomed our new year 12 students to our college and we hope they enjoy reading the newsletter .

Happy reading
Holly

Tales of the Marauder

Written by Rubi

On the 1 of September at 9:00 am in London the train station at platform 9 $\frac{3}{4}$ was very busy with people going back to Hogwarts. The students all got on the train because it was leaving and Sirius met a boy called James on the train. Sirius said "hi my name is Sirius Black and what is your name?"

"My name is James Potter, do you want to be my best friend?" said James

"yes I do James who is that with you?" said Sirius.

"This is Remus Lupin... Why do you want to know?" said James

"because I do James" said Sirius.

"OK" said James,

1 hour later, they arrive at Hogwarts to see Professor McGonagall waiting. She said "When we go inside you will be put into a house where there are Gryffindor, Slytherin, Hufflepuff and Ravenclaw." Then they went inside the Great Hall, Professor McGonagall said

"Before we start, Professor Dumbledore would like to say some words:

"Welcome back everyone and welcome to the first year. I would like to say that the dark forest and parts of the library are forbidden to all of the students. I would like to say to have fun and learn still. Now back you professor McGonagall"

"Thank you professor Dumbledore now when I call your name you will come and sit on the stool and I will put the hat on you, then it will put you in your house then you will go to the table that got your house colour... are you ready?"

"James Potter" said professor McGonagall

James went up and sat on the stool and Professor McGonagall put the hat on James and the hat said

HORTICULTURE TALES

THE LIGHT BLUE COURGETTE (PART 1)

One rather toasty Tuesday (approximately 21 degrees fahrenheit) Riley was watering the cauliflowers, (water is essential on a hot day don't you know? and a hot day would be quite a bad time to be out of water!) when something caught his eye... something light blue... a light blue courgette! and for a bigger shock it was approximately 6½ ft tall! (The same height as Riley don't you know?) "Holy dirt!" said Riley, with some pretty wide eyes, "this is a miracle! No one's grown a light blue courgette before! In fact... I know no one hasn't!" he knew his friends were not gonna believe what he just saw, so off he strode to find one of them.

Near bed 11 stood Miranda who was pulling out some weeds. Riley walked up to bed number 10 & gave her a wave, Miranda waved back to him & said, "Hiya Riley ol pal! Whatcha up to?" Riley replied, "I saw a courgette!" Miranda was puzzled... "What kind?" "Wait and see!" said Riley.

11 minutes later while Riley gave the tomatoes some feed Miranda came inside the polytunnel

HORTICULTURE TALES

THE LIGHT BLUE COURGETTE (PART 1)

To take a look at the courgette that Riley told her about. However he didn't notice her because he was feeding them tomatoes. Miranda tried to get his attention but instead he said, "Just a moment Miranda. I'm talking to the tomatoes." And these were some of the sentences that he said to them,

1: "You're gonna turn red by harvest time!"

2: "What did one tomato say to the other?"

3: "Your vine will grow up to 10 ft tall I guess..."

4: "You will be as tall as a cucumber or a carrot..."

Until at last, he said to Miranda, "oh hi Miranda! Fancy seeing yo here! Whatcha doing?" "I came to see the courgette you found." Miranda replied, "Oh yes, the courgette..." said Riley. When he led her to the light blue courgette, Miranda took one look at it and said in a rather surprised voice, "OM gosh

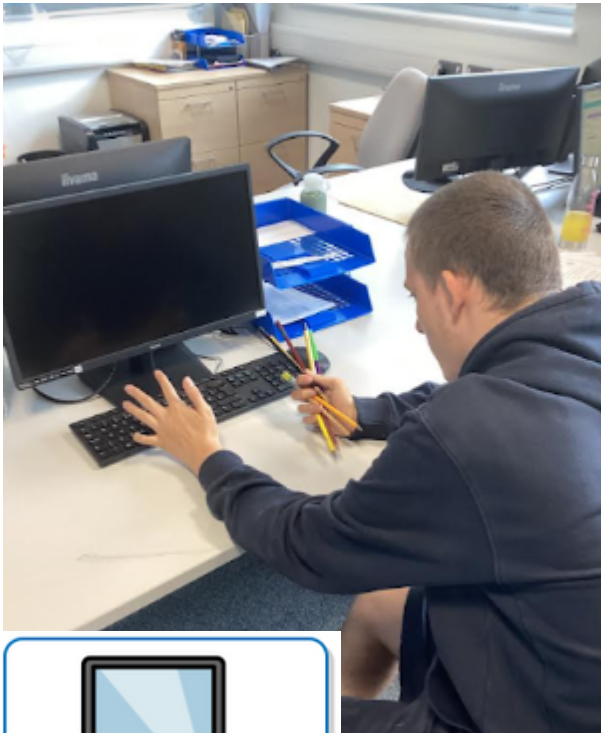

Riley! What the heck is that?"

Riley replied, "it's a light blue courgette"
