## Work experience at The Baths Hall

Our students had a fantastic opportunity to complete work experience at the Baths Hall in Scunthorpe for the Parent and Carer Forum Conference.

Our students worked in the kitchen, on digital support and ran a stall to promote Trent View.

This work experience opportunity was made possible by the support of our colleagues at North Lincolnshire Council:

*"Creating opportunities for young people with SEND to learn, develop and be part of the community is a huge focus for us in North Lincolnshire. By providing these opportunities, we are supporting our communities to foster environments where young people with SEND can contribute and participate, allowing invaluable experiences which can be used to inspire and motivate young people."*

*Trent View Student's played a huge part in the success of the event and made sure young people with SEND remained at the forefront of what the conference was about. They demonstrated hard work and professionalism throughout and represented the college and themselves brilliantly.*

*We thank Trent View learners and staff for their participation and look forward to working with them in the near future."*

## With Me in Mind

We are working in partnership with With Me in Mind.

"With Me in Mind is the name of one of the national Mental Health Support Teams (MHSTs) and there are teams based in both Doncaster and Rotherham. Our service was identified following the release of the Government Green Paper (2017), "Transforming Children and Young People's Mental Health" in which there was a focus on earlier intervention and prevention, especially in, and linked to schools and colleges."

We were grateful to welcome Emer into college on 20th November to host a Sleep Corridor Workshop to our students.

"I really liked the workshop - it helped me learn about how to sleep better" - Holly (Y13)

With Me in Mind will be working with Trent View College to support the wellbeing of our students.

## Catering students cook up a storm!

We were delighted to welcome 25 delegates from our central team and other schools within the Wellspring Academy Trust on 13th November including our CEO, Deputy CEO and leaders from different schools.

*Our catering team worked tirelessly to provide a delicious buffet for the event which included homemade pumpkin soup (made using pumpkins grown in our polytunnel by horticulture students) and hand platted bread!*
