

# LET'S TALK

**Monthly online webinar for  
parents and carers**

Join other parents and carers and the Local SEND Partnership to talk, share, and help shape SEND support in North Lincolnshire.

Let's Talk is a friendly space for families to share what's working, what's not, and what matters most. Together, we will coproduce plans for the future and make sure the Local Offer is right for families and supports children and young people to achieve their best outcomes.

Through our monthly webinars, we will:

- Work together to shape future SEND plans
- Share important information and updates
- Talk about how national guidance affects local SEND support
- Identify challenges and what needs to improve
- Give families the chance to ask questions and be heard
