Stepping Stones to Success - Work Experience Wow Moments!

Our students have been out in the community this term, absolutely smashing their work experience placements! We don't just measure their success by the tasks they complete, but by the incredible personal breakthroughs—our "Wow Moments"—where their confidence and independence truly shine.

Here are a few highlights from their latest workplace adventures:

Green Thumbs at Littlecoates Primary: Our horticulture team has been transforming the outdoor spaces at Littlecoates. The ultimate "Wow" moment was watching our students step into leadership roles, confidently guiding the primary children and demonstrating exactly how to care for the plants.

Customer Service Stars at Co-op: Working as retail assistants in a busy local store can be fast-paced, but our students have taken it in their stride. Staff at the Co-op have been blown away by their professional standards, from managing stock to greeting customers with bright, confident smiles.

Culinary Champions in the College Kitchen & Cafe: Closer to home, the team running our internal kitchen and cafe has reached new heights of independence. Watching our students put their learning into action every day by cooking and serving the delicious meals to our college truly is a wow moment.

INSET Date Change

Please note an important change to our INSET day schedule for the next academic year (2026/27).

To accommodate this change, students will now be required to attend college on a day previously marked as closed, and will instead have a day off later in the term:

- **Friday 5th February 2027: College is now OPEN (Students attend as normal).**
- **Friday 23rd April 2027: College is now CLOSED for an INSET Day (Students do not attend).**

Friday 22nd May 2026
